SHARE History Homework Checklist  
5-6th Grade Homework Due 4/23/24/

This is your LAST Homework Checklist!

Day 1

\_\_\_\_\_20 points: Review HALF of your History Timeline from this year. Read both the front of the timeline piece and the inside words.

\_\_\_\_\_20 points: Create two questions from the information on the timeline- along with their answers. These MAY be used for our game on the final day! You will want to try to make these questions challenging, but they do have to come from the information we learned this year. ( You will be creating 2 more on day 2. Once all 4 are done, you can email your questions to me, or you can turn them in during class next Tuesday.)

Day 2

\_\_\_\_\_20 points: Review the Second HALF of your History Timeline. Read both the front of the timeline piece and the inside words.

\_\_\_\_\_20 points: Create two more questions from the information on the second half of your timeline pieces. Make sure they are challenging and historically accurate. Now that all 4 questions are complete, you may email them to me @ [valeriejevon@gmail.com](mailto:valeriejevon@gmail.com) OR you can turn them in Tuesday, April 23.
