SHARE History Homework Checklist

3-4th Grade Homework

Due 9/26/23

Day 1

_____ (20 points) Watch the WW1 videos. (FEEL FREE to spread these out throughout the week, only checking off once all videos have been watched.) The videos are also as links on the SHARE website. There are some required videos and some optional videos for 3rd and 4th grade. Parents, if you have a sensitive child who has a difficult time learning about war, please preview these videos! If you do not think your child will benefit from them, please summarize the videos in your own words instead of your child watching them. If you do this, please let me know. (You can make a note here.)

Day 2 and 3

_____ (30 points) PRESENTATION PREPARATION

You will have a World War 1 presentation- on **September 26th OR October 3rd**. In class, you received a RUBRIC that shows the requirements for this presentation as well as the date you are to present, written at the top. If there are any questions about which date you are to present, please see the PDF below. Feel free to email me any questions.

* This week you are to finish preparing for your presentation- completely finishing if you are presenting 9/26 and working on during your history homework time if presenting 10/3.

_____ (10 points)* ONLY for those presenting 9/26. This will be on your HCL next week if you are presenting 10/3. PRACTICE your presentation- at least twice! You can practice speaking your information to the mirror and then to a parent. If you feel nervous, practice more than twice. Some options that students seem to like is writing key information on flashcards- using both words or pictures to help you remember what you want to say. However you choose to remember your information, please practice! You will need to know the information in order to share it. Many of you will have parents help you with the presentation, but they are not to do it for you. If you don't have a part in your preparation, and don't know the information to share with your class or how to pronounce anything, I will be able to tell. (That being said, I don't expect perfect pronunciation on everything- It just is obvious when a student has never seen a word before.)

*Please note- on the rubric there are time expectations. As much as I would love to give you unlimited time to share about your topic, we do need to stick to these times so all classmates will have time to share! On the other hand, you do need to try to meet the minimum requirement- (Sharing for 20 seconds will not be long enough to share the information required)

****Don't forget to bring your presentation to SHARE if you are scheduled to present next week!**

_____ points earned out of 50/ or out of 60 depending on presentation date.
