3-4th Grade Homework

Due 10/24/23

Day 1

_____ (20) Read the lesson on Athletes on page 46.

_____ (20) Choose ONE athlete in this time period (1920s-1940s) to learn more about.

There are many ways to choose your ONE athlete:

You can dig deeper and learn more about one of the athletes mentioned in this lesson, or you can learn about a different athlete around this time period. Some other options are the athletes on page 47, or Jackie Robinson, Helen Wills, Kathleen McKane Godfree OR look up any of the olympics from the 20s and 30s or 40s. OR you could pick a favorite sport and learn about one of the players from the 1920s - 1940s.

We will be sharing these in class next week! It would be cool if we had a variety of athletes during this time to learn about.

Today, you only have to decide the WHO: Write the name on this line:

Day 2:

_____ (30 points) Presidential Fact Sheets

Fill out the fact sheets on Harding and Coolidge (Presidents 29-30). Look up this information. Please follow all internet family rules if you are using the internet. If you are using a book of presidents, that is great too. (BRING THIS TO CLASS. WE WILL BE KEEPING THEM IN THE BINDERS UNTIL WE MAKE A BOOK FOR THEM)

_____ (20 points) Learn a little bit about the athlete you chose yesterday. Some facts to consider: Where and when were they born? What sport did they play? What made them notable/ inspirational? Any fun facts you learned? If you can, print out a picture of this athlete. Be ready to share about the athlete you learned about in class!

Day

_____ (30 points) Presidential Fact Sheets

Fill out the fact sheets on Hoover (Presidents 31). Look up this information. Please follow all internet family rules if you are using the internet. If you are using a book of presidents, that is great too.
